Local places of interest/museums

Chiselborough is fortunate enough to have our village common, which is registered common land and provides a peaceful haven for local wildlife and there are benches and picnic tables for all to enjoy the area. If you want to get involved, there are frequent working parties (keep an eye on parish noticeboard) and all help is welcomed!

We also own as a parish a copse called Burridge Copse, located south of the Bridleway that runs between Skillgate Lane and East Street. The Copse is at the western end (nearest Skillgate Lane). If you do wish to walk in the copse, please do exercise caution as the ground is uneven and there are no marked paths. Use of the copse is at your own risk, but does again provide a great space for wildlife and flora to flourish. Please do visit with care.
